

**Consolidation of Brevard County and Flagler and Volusia Counties**  
**Public Comment Process**

A reduction in the number of local workforce development boards was required by Florida's REACH Act to minimize duplication, improve consistency, and maximize resources to enhance outcomes for businesses and individuals, emphasizing a customer-focused approach.

In May 2023, the Governor affirmed the recommendation provided by the CareerSource Florida Board of Directors to realign and consolidate 10 local workforce development areas as outlined in the Florida Workforce System Transformation Plan.

Consolidation of CareerSource Flagler Volusia and CareerSource Brevard was part of the approved recommendation.

This action which consolidates these two regions would have a population of about 1.3 million residents and include two Metropolitan Statistical Areas (MSA) (Deltona-Daytona Beach-Ormond Beach and Palm Bay-Melbourne-Titusville). The consolidation would not break apart those two MSAs but would rather house them in once local workforce development area.

Public comments on this new designation are being solicited by CareerSource Brevard and CareerSource Flagler Volusia. The public comment period will be open for the period of April 15<sup>th</sup> through April 25<sup>th</sup>, 2024.
